FIRST ORE DELIVERED TO GREENFIELDS MILL IN COOLGARDIE

Beacon Minerals Limited (**Beacon** or the **Company**) is pleased to announce that the first delivery of ore to the Greenfields mill in Coolgardie has been made.

First ore delivery to the Greenfields Mill in Coolgardie

Managing Director Graham McGarry said "This marks a significant milestone in the development of the Halleys East gold project. Recent rains in the Goldfields area have resulted in extended road closures delaying ore deliveries to FMR's Greenfields Mill. Beacon remains on track to commence milling prior to the end of Q1 2014"
