## **ASX ANNOUNCEMENT**

29 July 2016

### **JUNE 2016 QUARTERLY ACTIVITIES AND CASH FLOW REPORT**

Beacon Minerals Limited (ASX:BCN) (Beacon or Company) is pleased to present its Quarterly Activities Report for the period ended 30 June 2016.

#### **Highlights – Subsequent to the quarter end**

- **Beacon Executes Ore Purchase Agreement**
- **Beacon Completes Sale of Refractory Ore to Northern Star**

#### **Sale of Refractory Ore**

On 4 February 2016 the Company announced that it had entered into a letter of intent (LoI) with Northern Star Resources Limited (**Northern Star**) to process the Company's high grade refractory ore under an ore purchase agreement.

A lengthy, but necessary, metallurgical testing program followed.

The Company advised on 13 July 2016 that it had entered into an agreement with Northern Star to purchase Beacon's high grade refractory ore under an Ore Purchase Agreement.

A total of 12,199 tonnes of gold ore was sold to Northern Star at \$611.87 per tonne, nett of all costs.

The average grade of the parcel was 15.53g/t with a metallurgical recovery of 87.5%.

#### **Managing Director Graham McGarry commented:**

"The completion of the ore purchase agreement further highlights the success at Halleys East and the continued efforts of the Directors to deliver a positive result to the Company's shareholders.

"Beacon would like to acknowledge the collaborative approach taken by both parties to achieve this mutually beneficial transaction.

"Rehabilitation at Halleys East is completed and is being monitored in accordance with the Mine Closure Plan."

## CASH RESERVES

As at 30 June 2016 the Company had approximately \$0.216 million in cash reserves.

Subsequent to the quarter ended 30 June 2016 the Company received \$8,210,673 from Northern Star in relation to the purchase of Beacon's high grade refractory ore under the Ore Purchase Agreement.

## CAPITAL STRUCTURE

As at the date of this report the Company has the following capital structure:

<b>Fully Paid Ordinary Shares (BCN)</b>	<b>1,495,470,963</b>
---	----------------------

## OTHER OPPORTUNITIES

The Company confirms its commitment to continue to pursue other opportunities in the minerals sector in Australia.

Should shareholders have any questions regarding Beacon, please feel free to contact Executive Chairman Geoff Greenhill or Managing Director Graham McGarry.

### Disclaimer

This ASX announcement (Announcement) has been prepared by Beacon Minerals Limited (“Beacon” or “the Company”). It should not be considered as an offer or invitation to subscribe for or purchase any securities in the Company or as an inducement to make an offer or invitation with respect to those securities. No agreement to subscribe for securities in the Company will be entered into on the basis of this Announcement.

This Announcement contains summary information about Beacon, its subsidiaries and their activities which is current as at the date of this Announcement. The information in this Announcement is of a general nature and does not purport to be complete nor does it contain all the information which a prospective investor may require in evaluating a possible investment in Beacon.

By its very nature exploration for minerals is a high risk business and is not suitable for certain investors. Beacon’s securities are speculative. Potential investors should consult their stockbroker or financial advisor. There are a number of risks, both specific to Beacon and of a general nature which may affect the future operating and financial performance of Beacon and the value of an investment in Beacon including but not limited to economic conditions, stock market fluctuations, gold price movements, regional infrastructure constraints, timing of approvals from relevant authorities, regulatory risks, operational risks and reliance on key personnel.

Certain statements contained in this announcement, including information as to the future financial or operating performance of Beacon and its projects, are forward-looking statements that:

- may include, among other things, statements regarding targets, estimates and assumptions in respect of mineral reserves and mineral resources and anticipated grades and recovery rates, production and prices, recovery costs and results, capital expenditures, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions;
- are necessarily based upon a number of estimates and assumptions that, while considered reasonable by Beacon, are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies; and,
- involve known and unknown risks and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward-looking statements.

Beacon disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise. The words 'believe', 'expect', 'anticipate', 'indicate', 'contemplate', 'target', 'plan', 'intends', 'continue', 'budget', 'estimate', 'may', 'will', 'schedule' and similar expressions identify forward-looking statements.

All forward looking statements made in this announcement are qualified by the foregoing cautionary statements. Investors are cautioned that forward-looking statements are not guarantees of future performance and accordingly investors are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty therein.

---

reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement or petroleum tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.

- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
