**BEACON MINERALS LIMITED – REQUEST FOR TRADING HALT**

In accordance with Listing Rule 17.1 Beacon requests that an immediate trading halt be placed on its securities pending the release of an announcement regarding the assessment of laboratory test work on the PQ diamond drill core samples.

Beacon expects the trading halt will be required for a period not exceeding the commencement of trading on the second day following the date of this request, in accordance with ASX Listing Rule 17.1.1 and ASX Operating Rule 16.4.2, and that an announcement regarding the Company's diamond drilling core assessment will likely be made before the commencement of normal trade on 3 April 2017.

Beacon is not aware of any reason why the trading halt should not be granted, nor of any other information relevant to this request.

Yours sincerely,

Sarah Shipway  
Non-Executive Director/Company Secretary
