### **CONCLUSION OF UNMARKETABLE PARCELS SHARE SALE**

Beacon Minerals Limited ("Beacon" or "Company") is pleased to advise that the sale of unmarketable parcels, announced on 30 April 2013, has been completed. On 11 June 2013 the time for those shareholders holding unmarketable parcels to notify the Company of their intention to retain their shares concluded.

In total 950 former shareholders, holding an aggregate 51,546,177 shares, being 3.45% of the Company's total number of shares on issue, participated in the sale. The holdings were sold for an issue price of \$0.0035 per share, with the transfer taking effect on 4 July 2013.

The sale of unmarketable parcels will reduce significantly the administrative costs associated with maintaining a large number of very small holdings.

It is expected that the proceeds from the sale will be distributed to the relevant former shareholders in the coming weeks.
