DIRECTORS' REPORT

Your Directors submit the financial report of the Company for the half-year ended 31 December 2011. In order to comply with the provisions of the Corporations Act 2001, the Directors report as follows:

Directors

The names of Directors who held office during or since the end of the period and until the date of this report are as below. Directors were in office for this entire period unless otherwise stated.

Paul Lloyd	Chairman
Darryl Harris	Managing Director
Matthew Egan	Non-Executive Director
Neil Fearis (*)	Alternate Director

** Neil Fearis was appointed as an alternate Director to Paul Lloyd on 9 February 2012 to enable Mr Fearis to chair the meetings on 12 and 27 March 2012. The appointment is valid until the close of the meeting on 27 March 2012.*

Review of Operations

The key focus for the first half of the 2012 financial year was:

- Preparation of a Proposal to Mine, based on a conceptual study for the potential mining and toll treatment of Halleys East and its submission to the Department of Mines and Petroleum.
- Discussions with various third party operators and parties interested in the purchase of the Halleys East resource.
- Independent geological review of the exploration results to date to verify geological modeling and highlight any additional prospective gold and base metal targets.
- Continued evaluation of other acquisitions to develop in parallel to Barlee.

Discussions with relevant parties regarding toll treatment and sale options for Halleys East culminated in an agreement for the sale of Mining Lease (ML) 77/1254 to Ramelius Resources Limited.

The payment terms for sale of the Mining Lease to Ramelius are:

- Payment of \$4 million cash representing reimbursement of exploration expenditure.
- Royalty of \$80 per ounce for gold produced from 1 to 40,000 ounces from the ML.
- Royalty of \$160 per ounce for gold produced from 40,001 to 100,000 ounces from the ML.
- Royalty of 2.0% of the value of gold produced from the ML above 100,000 ounces.

In parallel with the toll treatment and sale discussions, the Mining Proposal for ML 77/1254 was submitted to the DMP on the 24 November 2011. The proposal was managed by Auralia Mining Consulting with BKD Resources completing the resource estimation, Alexander Holm and Associates the environmental survey and KHC the native title survey.

The Mining Proposal was based on a conceptual study for mining Halleys East and trucking to a third party processing plant for toll treatment. Areas covered by this study include:

- native title
- environmental baseline studies and planning
- resource modeling
- mine planning
- feasibility evaluation.

Aiming to further the exploration potential of the Barlee Gold Project the company commissioned an independent geological report to highlight any additional prospective gold targets within the project area. From this report several key targets were identified and planning is underway to test these targets for possible gold mineralisation. A program was developed for additional drilling at the Halleys East Deposit to assist with refining the existing resource model and mine plan.

Discussions continued for the acquisition of a group of tenements in West Africa proximal to large scale gold resources.

Subsequent to the end of the half-year, the sale of the Barlee ML to Ramelius was rejected by shareholders on a vote held at a general meeting on 12 March 2012.

Auditor's Independence Declaration

Section 307C of the Corporations Act 2001 requires our auditors, HLB Mann Judd, to provide the Directors of the Company with an Independence Declaration in relation to the review of the half-year financial report. This Independence Declaration is set out on page 3 and forms part of this Directors' report for the half-year ended 31 December 2011. This report is signed in accordance with a resolution of the Board of Directors made pursuant to Section 306(3) of the Corporations Act 2001.

Competent Persons Statement

The information in this report, as it relates to:

- A) *Exploration Results, is based on information compiled and/or reviewed by Mr. Lyle Thorne who is a member of the Australasian Institute of Mining and Metallurgy (AusIMM).*
- B) *Resource Estimates, is based on information compiled and/or reviewed by Mr. Byron Dumpleton who is a member of the AIG (Australian Institute of Geoscientists).*
- C) *Metallurgical and Processing Estimates are based on information compiled and/or reviewed by Mr. Darryl Harris who is a member of the AusIMM.*

All persons have the relevant experience with the mineralisation reported on to qualify as a Competent Person as defined in the 2004 Edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". All persons consent to the inclusion in the report of the matters based on the information in the form and context in which they appear.

Down hole widths quoted. Due to the preliminary nature of the exploration drilling, the company is unable to state if mineralised widths approximate true width. The Company also advises that it is uncertain as to whether further drilling in these areas will lead to the discovery of potentially economic mineralisation.

Darryl Harris

Managing Director

Dated this 15th day of March 2012

AUDITOR'S INDEPENDENCE DECLARATION

As lead auditor for the review of the financial report of Beacon Minerals Limited for the half-year ended 31 December 2011, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- a) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- b) any applicable code of professional conduct in relation to the review.

NOTES TO THE FINANCIAL REPORT FOR THE HALF-YEAR ENDED 31 DECEMBER 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance

The half-year financial report is a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001, applicable accounting standards including AASB 134: Interim Financial Reporting and other authoritative pronouncements of the Australian Accounting Standards Board ('AASB'). Compliance with AASB 134 ensures compliance with IAS 34 'Interim Financial Reporting'.

The condensed half-year report does not include full disclosures of the type normally included in an annual financial report. Therefore, it cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the Company as in the full financial report.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2011 and any public announcements made by Beacon Minerals Limited during and subsequent to the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001 and the ASX listing Rules.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period.

Basis of Preparation

The half-year report has been prepared on a historical cost basis, except for the revaluation of certain financial instruments to fair value. Cost is based on the fair value of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period.

For the purpose of preparing the half-year report, the half-year has been treated as a discrete reporting period.

Significant Accounting Judgments and Key Estimates

The preparation of interim financial reports requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim report, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial report for the year ended 30 June 2011.

Adoption of New and Revised Accounting Standards

In the half-year ended 31 December 2011, the Directors have reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to its operations and effective for annual reporting periods beginning on or after 1 July 2011.

It has been determined by the Directors that there is no impact, material or otherwise, of the new and revised Standards and Interpretations on its business and, therefore, no change is necessary to Company accounting policies.

The Directors have also reviewed all new Standards and Interpretations that have been issued but are not yet effective for the half-year ended 31 December 2011. As a result of this review the Directors have determined that there is no impact, material or otherwise, of the new and revised Standards and Interpretations on its business and, therefore, no change necessary to Company accounting policies.

NOTE 6: SEGMENT REPORTING

Business Segments

The Company has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (chief operating decision maker) in assessing performance and determining the allocation of resources.

The Company is managed primarily on the basis of mining exploration and treasury activities. Operating segments are therefore determined on the same basis.

Reportable segments disclosed are based on aggregating operating segments where the segments are considered to have similar economic characteristics.

Types of reportable segments:

(i) Tenement exploration and evaluation:

- The exploration of current projects and the evaluation of new ones are reported in this segment,
- Segment assets, including acquisition costs of exploration licenses and all expenses related to the tenements are reported in this segment.

(ii) Treasury

- The reporting relating to income from cash holdings is reported in this segment.

Basis of accounting for purposes of reporting by operating segments

Accounting policies adopted

Unless stated otherwise, all amounts reported to the Board of Directors as the chief operating decision maker with respect to operating segments are determined in accordance with accounting policies that are consistent to those adopted in the Annual Report of the Company.

Segment assets

Where an asset is used across multiple segments, the asset is allocated to the segment that receives the majority of economic value from the asset. In the majority of instances, segment assets are clearly identifiable on the basis of their nature and physical location.

Unless indicated otherwise in the segment assets note, investments in financial assets, deferred tax assets and intangible assets have not been allocated to operating segments.

Segment liabilities

Liabilities are allocated to segments where there is direct nexus between the incurrence of the liability and the operations of the segment. Borrowings and tax liabilities are generally considered to relate to the Company as a whole and are not allocated.

Unallocated items

The following items of revenue, expense, assets and liabilities are not allocated to operating segments, as they are not considered part of the core operations of any segment:

- net gains on disposal of available-for-sale investments;
- impairment of assets excluding exploration assets and other non-recurring items of revenue or expense;
- trade and other payables

NOTE 8: COMMITMENTS AND CONTINGENCIES

There have been no significant changes to commitments or contingencies since 30 June 2011.

NOTE 9: EVENTS OCCURRING AFTER BALANCE DATE

Subsequent to balance date, the shareholders at a general meeting held 12 March 2012 rejected the sale of the Barlee Mining Lease to Ramelius Resources Limited. The Directors will continue to develop the Barlee Gold Project so as to create value to shareholders.

Other than the event detailed above, there has been no matter or circumstance that has arisen since 31 December 2011 that has significantly affected, or may significantly affect:

1. the Company's operations in future financial years, or
2. the results of those operations in future financial years, or
3. the Company's state of affairs in future financial years.

DIRECTORS' DECLARATION

The Directors of the Company declare that:

1. The financial report and notes thereto, as set out on 4 to 15, are in accordance with the Corporations Act 2001 and:
 - a. comply with Accounting Standard, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
 - b. give a true and fair view of the Company's financial position as at 31 December 2011 and of its performance for the half-year then ended.

2. In the Directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is signed in accordance with a resolution of the Board of Directors made pursuant to s.303(5) of the Corporations Act 2001.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Beacon Minerals Limited

Report on the Condensed Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Beacon Minerals Limited ("the company"), which comprises the condensed statement of financial position as at 31 December 2011, the condensed statement of comprehensive income, condensed statement of changes in equity and condensed statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' responsibility for the half-year financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2011 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the company, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Matters relating to the electronic presentation of the reviewed half-year financial report

This review report relates to the half-year financial report of the company for the half-year ended 31 December 2011 included on the company's website. The company's directors are responsible for the integrity of the company's website. We have not been engaged to report on the integrity of this website. The review report refers only to the half-year financial report identified above. It does not provide an opinion on any other information which may have been hyperlinked to/from the half-year financial report. If users of the half-year financial report are concerned with the inherent risks arising from publication on a website they are advised to refer to the hard copy of the reviewed half-year financial report to confirm the information contained in this website version of the half-year financial report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Beacon Minerals Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Beacon Minerals Limited's financial position as at 31 December 2011 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
